Student center (resident) screen

The screenshot shows the Student Center interface for a resident student. At the top, there is a navigation bar with a hamburger menu icon on the left, the university name "國立東華大學" in the center, and a "LOGOUT" button on the right. Below the navigation bar, the main content area is divided into several sections. The first section is titled "Student Info" and contains three rows of information: "Name / Username : 東華學生1001 / ABC350001A", "Dormitory number : F442", and "System Balance : 1000/ NTD". Below this, there are two green buttons: "Student Utilize Records" and "Password Change". A yellow rounded rectangle highlights the "Student Utilize Records" and "Password Change" buttons, with the text "Resident student operation menu" and a list of two items: "① Student utilize records" and "② Change password".
