

Dormitory electric cloud billing system

Steps to turn on/off the power

Step 1 . Enter the website of NDHU dormitory electric cloud billing system

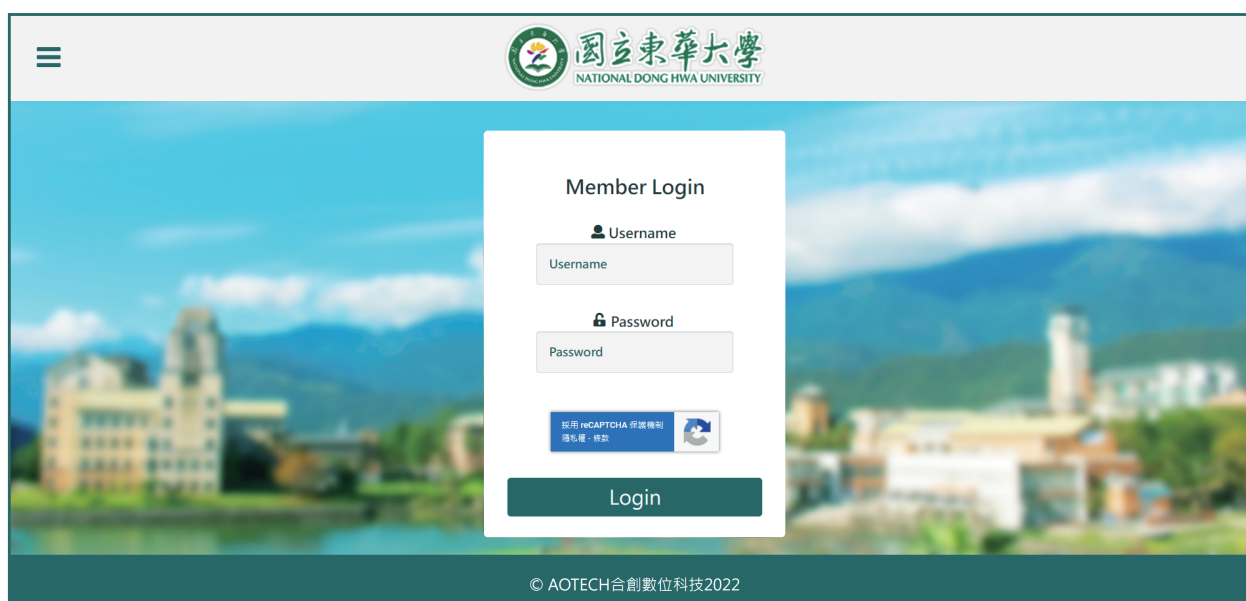

https://www.aotech.tw/ndhu_power/

Step 2 . Login username and password

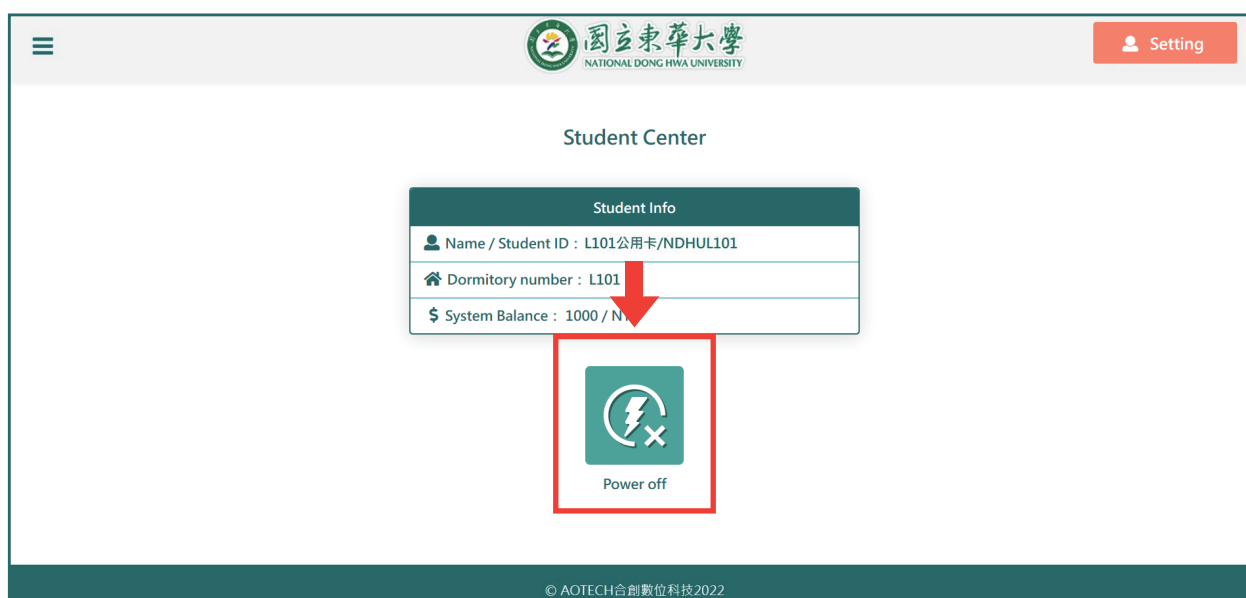

Username Public Card : NDHU + Four-digit room number (e.g., **NDHUL101**)
Student Card : Student ID

Default password 88888

The screenshot shows the 'Member Login' interface. At the top, there is a navigation bar with the NDHU logo and name in Chinese and English. Below the navigation bar is a large background image of a university building. In the center, there is a white login box with the following fields: 'Username' and 'Password'. Below these fields is a 'Login' button. There is also a small blue button with a QR code icon and the text '使用 reCAPTCHA 保護您的隱私' and '隱私權政策'. At the bottom of the page, there is a copyright notice: '© AOTECH合創數位科技2022'.

Step 3 . Click "Power on/off" to turn on/off the power

The screenshot shows the 'Student Center' interface. At the top, there is a navigation bar with the NDHU logo and name in Chinese and English. On the right side of the navigation bar, there is a 'Setting' button. Below the navigation bar, there is a 'Student Info' box with the following information: 'Name / Student ID : L101公用卡/NDHUL101', 'Dormitory number : L101', and 'System Balance : 1000 / N'. Below the 'Student Info' box, there is a red arrow pointing to a 'Power off' button. The 'Power off' button is a green square with a white lightning bolt icon and a red 'X' over it. At the bottom of the page, there is a copyright notice: '© AOTECH合創數位科技2022'.
